What is the What By Dave Eggers

From the bestselling author Staggering Genius, What Is based on the life of Valentino with thousands of other Lost Boys—was forced to at the age of seven and trek pursued by militias, wild animals, crossing the to find freedom. When he United States, he finds a life heartache and myriad new suspenseful, and Is the What is an astonishing lives of millions through one

of A Heartbreaking Work of the What is the epic novel Achak Deng who, along children —the so-called leave his village in Sudan hundreds of miles by foot, government bombers, and deserts of three countries finally is resettled in the full of promise, but also challenges. Moving, unexpectedly funny, What novel that illuminates the extraordinary man.
