

“Medicine and Surgery” Bolzano degree program*

Starting from a.y. 2024/25, Bolzano will host an English-taught “Medicine and Surgery” degree program (*at present pending accreditation by the Ministry of University and Research MUR).

The 6-year Medicine and Surgery program is offered by Università Cattolica in collaboration with Claudiana University Centre for Health Professions, where the lectures will take place. The practical part will be absolved in German and Italian language in the facilities of the South Tyrolean health authority and the province-wide hospital network.

A total of 60 places are available. An English certificate at B2 level according to the Common European Framework of Reference for Languages is required for enrolment. The overview of admitted certificates is listed in the [Competition call for a.y. 2024/25](#). General information about the degree programme: [Medicine and surgery - Roma | Università Cattolica \(unicatt.it\)](#)

Provincial funding covering tuition fees

Students owning the German-Italian **bilingualism certificate at B2 level** issued by the Autonomous Province of Bolzano no later than **15th June 2024** may apply for provincial funding covering the tuition fees (€ 18,000 per academic year), if they agree to work in the South Tyrolean health service for 4 years within 10 years after completing specialist training or special training in general medicine.

Prerequisites for acceding provincial funding

- Successful completion of the admission procedure
- German-Italian **bilingualism certificate at B2 level** issued by the Autonomous Province of Bolzano (obtained no later than **June 15th, 2024**)
- Subscription of an agreement to work in the South Tyrolean health service for 4 years within 10 years after completing specialist training or special training in general medicine.
